Dear Store Manager,

As a loyal customer, I'd like you to stock Dona Rita's Pão de Queijo at your store. I can buy this product elsewhere, but I would love to buy it here.

This traditional Brazilian Cheese Bread is handmade in London, gluten free and all natural. Each resealable bag contains 15 frozen balls that are ready to bake.

For more information about distributors in your area, please call Dona Rita at 07952 216 979 or e-mail oi@donarita.co.uk

Thank you,
